Report of Principal and School Improvement Council

Old Pointe served 581 students from four-year-old kindergarten to fifth grade during the 2013 – 2014 school year. We are a Palmetto Gold and Silver Award winning school with a focus on service to our community and our world.

Outside from being active in the communities in which they live, our students have taken an active role in their school community with the option to serve on various clubs and committees such as Safety Patrol, Student Council, Panther Pals, Green Team, Fellowship of Christian Athletes, and many others. Within these clubs, students are held responsible for assisting with the inner-workings of our school. The overall effect is a greater appreciation and sense of ownership of their school. In addition, our students have donated over \$12,000 to charities as well as assisting 25 of our own families at Thanksgiving and Christmas.

Our high quality faculty has continued to learn and grow by attending and leading various professional development sessions through our clustered Late Start days. Several of our teachers are pursuing advanced degrees in the areas of curriculum and instruction and administration. In addition, our school received over \$5,000 in grants to support and enhance our wonderful educational program.

Enhancing the safety of our students was also a focus of this school year. Teachers and students participated in various situational emergency drills. Parents were acclimated to using our new secure front entrance and visitor sign-in protocols. Security cameras and viewing software were also installed throughout the building.

Various activities were held throughout the year to promote positive family-school relationships. Our PTO's focus on student health was proven with the installation of a walking/running trail. Our students have enjoyed having the option to track their walking/running distances during recess! SIC continued to promote advocacy for Public Education this year and hosted a parent session to learn about new laws affecting education as well as the candidates for State Superintendent candidate platforms.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Old Pointe Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
